Patient's Rights

Profiles Surgery Center is accredited by the Accreditation Association for Ambulatory Health Care (AAAHC).

We are required to inform and provide you with a written copy of your rights and responsibilities as a patient.

Your rights at the Profiles Surgery Center include:

- Patients are treated with respect, consideration, and dignity.
- Patients are provided appropriate privacy.
- Patient disclosures and records are treated confidentially, and patients are given the opportunity to approve or refuse their release, except when release is required by law.
- Patients are provided, to the degree known, complete information concerning their diagnosis, evaluation, treatment and prognosis. When it is medically inadvisable to give such information to a patient, the information is provided to a person designated by the patient or to a legally authorized person.
- Patients are given the opportunity to participate in decisions involving their health care, except when such participation is contraindicated for medical reasons.
- Patients have a right to know the services available.
- Patients have a right to be informed of provisions for after-hour and emergency care if needed.
- Patients have a right to know the facility fees for services.
- Patients have a right to be informed of patient conduct and responsibilities.
- Patients have a right to refuse to participate in research studies.
- Patients have a right to be notified of the center's policy on Advanced Directives, as required by state or federal laws and regulations. Profiles Surgery Center does not honor Advanced Directives.
- The patients have a right to know the credentials of health care professionals providing their care.
- Patients are informed of their right to change their provider if other qualified providers are available.
- Patients are informed about procedures for expressing suggestions, complaints and grievances, including those required by state and federal regulations.

Patient’s Responsibilities

Patients Responsibilities require the patient to:

- Provide complete and accurate information to the best of his/her ability about his/her health, any medications, including over-the-counter products and dietary supplements and any allergies or sensitivities.
- Follow the treatment plan prescribed by his/her provider.
- Provide a responsible adult to transport him/her home from the facility and remain with him/her for 24 hours, if required by his/her provider.
- Inform his/her provider about any living will, medical power of attorney, or other directive that could affect his/her care.
- Accept personal financial responsibility for any charges not covered by his/her insurance.
- Be respectful of all the health care providers and staff, as well as other patients.

Thank you for choosing the Profiles Surgery Center and we look forward to providing the care and services that you need.

The following local physicians have an ownership interest in Profiles Surgery Center:
